

The Greater Peterborough Area (GPA) has embarked on an exciting journey – the development of an Integrated Community Sustainability Plan – *Sustainable Peterborough*. The sustainability plan is a collaborative endeavor by all members of the Greater Peterborough Area, which includes both the City and County of Peterborough (including its eight member municipalities) along with Curve Lake First Nation and Hiawatha First Nation, to define what your *Sustainable Peterborough* should look like for the next generation and how to get there.

This planning effort will help to foster healthy environments, people, and economies by guiding the way to reducing environmental impacts, strengthening social networks, and increasing economic prosperity. Already a provincial and national leader in environmental awareness, your community's reputation only stands to strengthen with the development of your sustainability plan.

The *Sustainable Peterborough* plan will define your 25-year vision for the GPA, set goals, directions, actions, and targets for balancing the environmental, socio-cultural, and economic pillars of sustainability. Each of these pillars are interconnected, and the impacts of a decision directed at one pillar are felt in all. Your sustainability plan will account for this and actively encourage thought across all pillars of sustainability in decision-making.

It's Your Plan – Tell Us What You Think!

Residents, organizations, businesses, and municipalities are invited to collaborate in developing *Sustainable Peterborough*. As we work to define a common vision and goals we want to know what you value about the Greater Peterborough Area and what your vision is for a *Sustainable Peterborough* in 25 years. There are a number of ways you can do this:

- Fill out “What is your Vision?” cards
- Talk to *Sustainable Peterborough* representatives in your community
- Take our online survey

For more information about *Sustainable Peterborough* and to learn how to get involved please visit the project website at sustainablepeterborough.ca. You can also check us out on Twitter and Facebook.
